To Whom It May Concern:

Please accept this letter of recommendation for Huckabee & Associates, Inc. I have been fortunate to work with this firm for almost 20 years, and have been very impressed with the entire process, from design to completion.

Huckabee works with the owner from the beginning to ensure that the goals of each project are addressed. Through design and construction they spend a great amount of time making sure that their clients are informed and satisfied with each step. This firm has the unique talent of designing a great educational facility, while at the same time, making sure that they utilize client resources in a most efficient and effective manner.

Their enthusiasm, innovativeness, and genuine concern for educational facilities are evident throughout planning, design and construction. Client input is well received throughout each phase of every project.

I recommend Huckabee for any project, large or small, without reservation. They are the best!

Sincerely,

Rose Cameron
